

Academic Senate Resolution in Support of  
The Coalition of Students, ASI, CFA, APC and CSUEU Chapters at CSUDH.  
Exec 06-01

WHEREAS the CSU currently funds campuses based upon the number of full time equivalent students; and

WHEREAS the current funding formula discriminates against campuses such as CSUDH, with high numbers of students requiring remediation; and

WHEREAS based upon the recent enrollment at CSUDH, the CSU will reduce funding for CSUDH; and

WHEREAS this reduction in funding will reduce the number of courses offered at CSUDH; and

WHEREAS the reduction in the number of courses will have a direct negative impact on the academic quality of programs offered to students at CSUDH; therefore be it

RESOLVED that the CSUDH Academic Senate supports the purpose of the Coalition of Students, ASI, CFA, APC and CSUEU Chapters at CSUDH to implore the Board of Trustees of the CSU to reconsider the reduction of funding provided to CSUDH for academic year 2006-07.
