Dear CFA,

The Union of American Physicians and Dentist, stand in Solidarity with California Faculty Association in your struggle for a contract with San Diego State University.

UAPD supports the faculty members who have been holding informational pickets at San Diego State University and 22 other CSU Campuses in California.

SDSU needs to negotiate in good faith and provide adequate wage increases to CFA members throughout the CSU Campuses.

CFA has the support of UAPD.

In Solidarity,

Gary Robinson,
UAPD Executive Director
