US LABOR AGAINST THE WAR**

Supporting Our Troops and their families by rapidly disengaging from Iraq and bringing the troops home;

Solidarity with workers around the world who are struggling for their own labor and human rights, and with those in the U.S. who want US foreign and domestic policies to reflect our nation's highest ideals; and

BE IT FURTHER RESOLVED that the California Faculty Association will affiliate with U.S. Labor Against the War (USLAW) to protect our members, their families, communities and jobs, and the lives and livelihoods of working people everywhere.
