

**Resolution to Underwrite CSU's Fourth Annual Queer Studies Consortium**

Adopted by the CFA Assembly April 23, 2006

The LGBT Caucus requests:

That CFA underwrite, with a \$1000 stipend, CSU's Fourth Annual Queer Studies Consortium, an academic forum for faculty, staff, and student research in sexuality studies, held at a CSU campus, because the idea of the curriculum furthers the interest of equity, professional development, and workplace atmosphere of the union; and

That the CFA regard this support of the Queer Studies Consortium as encouragement for an academically broad perspective on LGBTIQ scholarship.
