The California Faculty Association is excited to announce an expanded insurance available exclusively to CFA Active members – the MetLife Benefits package!

CFA is always looking for valuable benefits to offer CFA members. As of September 2019, CFA began providing complimentary MetLife Life and Accidental Death and Dismemberment (AD&D) insurance for CFA Active members at no cost. The complimentary life insurance provides a $2,000 benefit to loved ones in the event of the member’s death. The AD&D insurance pays up to $5,000 in benefits to the member or loved ones in the event of a member’s serious injury or death.

CFA Active members are automatically enrolled in these complimentary benefits. During this special enrollment window, it’s important to add or update your beneficiaries. You may add your beneficiaries online or by phone beginning May 26, 2020.

During the open enrollment period you will be able to purchase additional life insurance and add brand new benefits:

- **Voluntary Life** Insurance – additional financial protection when your loved ones need it most
- **Hospital Indemnity** Insurance – cash benefits paid directly to you for a hospital admission
- **Critical Illness** Insurance – cash benefits for a serious illness like heart attack, cancer or stroke
- **24 hour Accident** Insurance – cash paid directly to you for on or off the job accidental injuries

**Why consider CFA’s MetLife Benefits?**

- **Valuable** – these benefits supplement any other insurance you may have. You are
even automatically enrolled in complimentary Life Insurance and AD&D (CFA pays the entire cost for complimentary benefits).

- **Affordable** – group rates with the buying power of CFA
- **Flexible** – family coverage options are also available if you participate
- **Special offers** – guarantee issue offers* are available, but only if you enroll May 26, 2020 - June 19, 2020
- **Convenient** – no checks to write - premiums paid from your bank account

**CHOOSE FROM TWO EASY WAYS TO ENROLL**
