California Faculty Association
Resolution in Opposition to
U.S. Military Intervention in Korea

WHEREAS, the Korean Peninsula has suffered through the horror of the Korean Conflict in the 1950s when millions were killed or dislocated in the international conflict; and

WHEREAS, the Trump Administration has escalated the rhetoric of war, increased military maneuvers, and heightened fear of military conflicts that would result in death and destruction for millions of Koreans and others in the region; and

WHEREAS, the California Faculty Association (CFA) is a labor union composed of educators and was established to strengthen the cause of higher education for the public good, and is deeply concerned for the well being of our fellow educators and students in Korea; therefore be it

RESOLVED, that CFA opposes the Trump Administration’s threats of military action against the Democratic People’s Republic of Korea; and be it further

RESOLVED, that CFA calls for the peaceful and diplomatic resolution of the current crisis with a multi-governmental approach to address all parties’ concerns.
