Subject: Re: [QualityHigherEd] request for statements of support

Dear Lillian,

I am authorized by the Council of UC Faculty Associations to say that we, too, fully support CFA's action and its ongoing campaign. Gary's template for a statement of support is excellent—CUCFA "supports the California Faculty Association in their one day strike at two campuses and in their ongoing campaign to counter the misplaced priorities of the California State University."

All of our affiliated UC campus Faculty Associations stand with you—DFA, BFA, SFFA, IFA, SBFA, SCFA, RFA and SDFFA.

In solidarity,

Bob Meister,
President, Council of UC Faculty Associations.
