

CSU FACULTY On Strike!

NOVEMBER 17 #csustrike

@CSU DOMINGUEZ HILLS

ENOUGH IS ENOUGH! WE FIGHT FOR QUALITY EDUCATION BY WINNING FAIRNESS FOR FACULTY

We are taking a stand for our rights as employees, and for our ability to teach our students and support our families. We have to save middle class jobs in this country, and that includes right here on this campus.

- ★ **We are on strike because CSU Chancellor Reed refused a reasonable settlement with us over a modest pay adjustment.**
- ★ **Neutral third parties recommended that he pay up, and he refuses.**
- ★ **We want fairness to save middle class jobs and to give our students a quality education.**

On Strike!

California Faculty Association

And we've had ENOUGH of the Chancellor's Priorities!

We are mad about the chancellor giving more and more to top managers and ignoring the classroom.

We are mad about him trying to provide higher education on the cheap.

We are mad that students are paying more and getting less—bigger classes, fewer class offerings.

Treating faculty fairly does not require fee hikes for students, but it DOES require the Chancellor to change his priorities

Enough is Enough!
