

Forward Together! Because There Is... **Power in Numbers**

There is strength in numbers and it is only in solidarity with one another that we are going to get a better contract.

– Neil Hultgren
English, Long Beach

By joining the union NOW, you assure that we get the strongest and best contract possible.

– Lois Boulgarides
*Kinesiology & Health Science,
Sacramento*

¡La lucha continúa! Being a member shows our solidarity with each other and commitment to public higher ed.

– Sharon Elise
Sociology, San Marcos

Building our membership demonstrates that faculty care about our students, the quality of the education we provide them and the work environment.

– Kell Fujimoto
Counseling Services, San José
