

# TAKE ACTION TODAY!

We need the Governor and Legislature to allocate \$325 million more in funding for the CSU in the 2017-18 budget. We need to fight to make sure the Governor knows that he must prioritize funding the CSU and fight for our students!

YOU CAN HELP:

WRITE GOVERNOR JERRY BROWN TODAY!

It only takes a few minutes of your time to make a positive impact.

- **Please take a minute to write him a note**

- Write Gov. Brown and urge him to reinvest in the California State University and increase the system's budget augmentation for 2017-18 to \$325 million.
- Feel free to include a personal reflection, in your own handwriting if possible, about how chronic disinvestment has impacted you and your students.
- Please include your name, title, campus and send it back to us one of three ways:
  - Email it to [cfa@calfac.org](mailto:cfa@calfac.org)
  - Deliver to your local CFA chapter
  - Mail to CFA Headquarters, CFA, 1110 K Street, Sacramento, CA, 95814.
