

CSU Approves Exorbitant Executive Salary - Again!

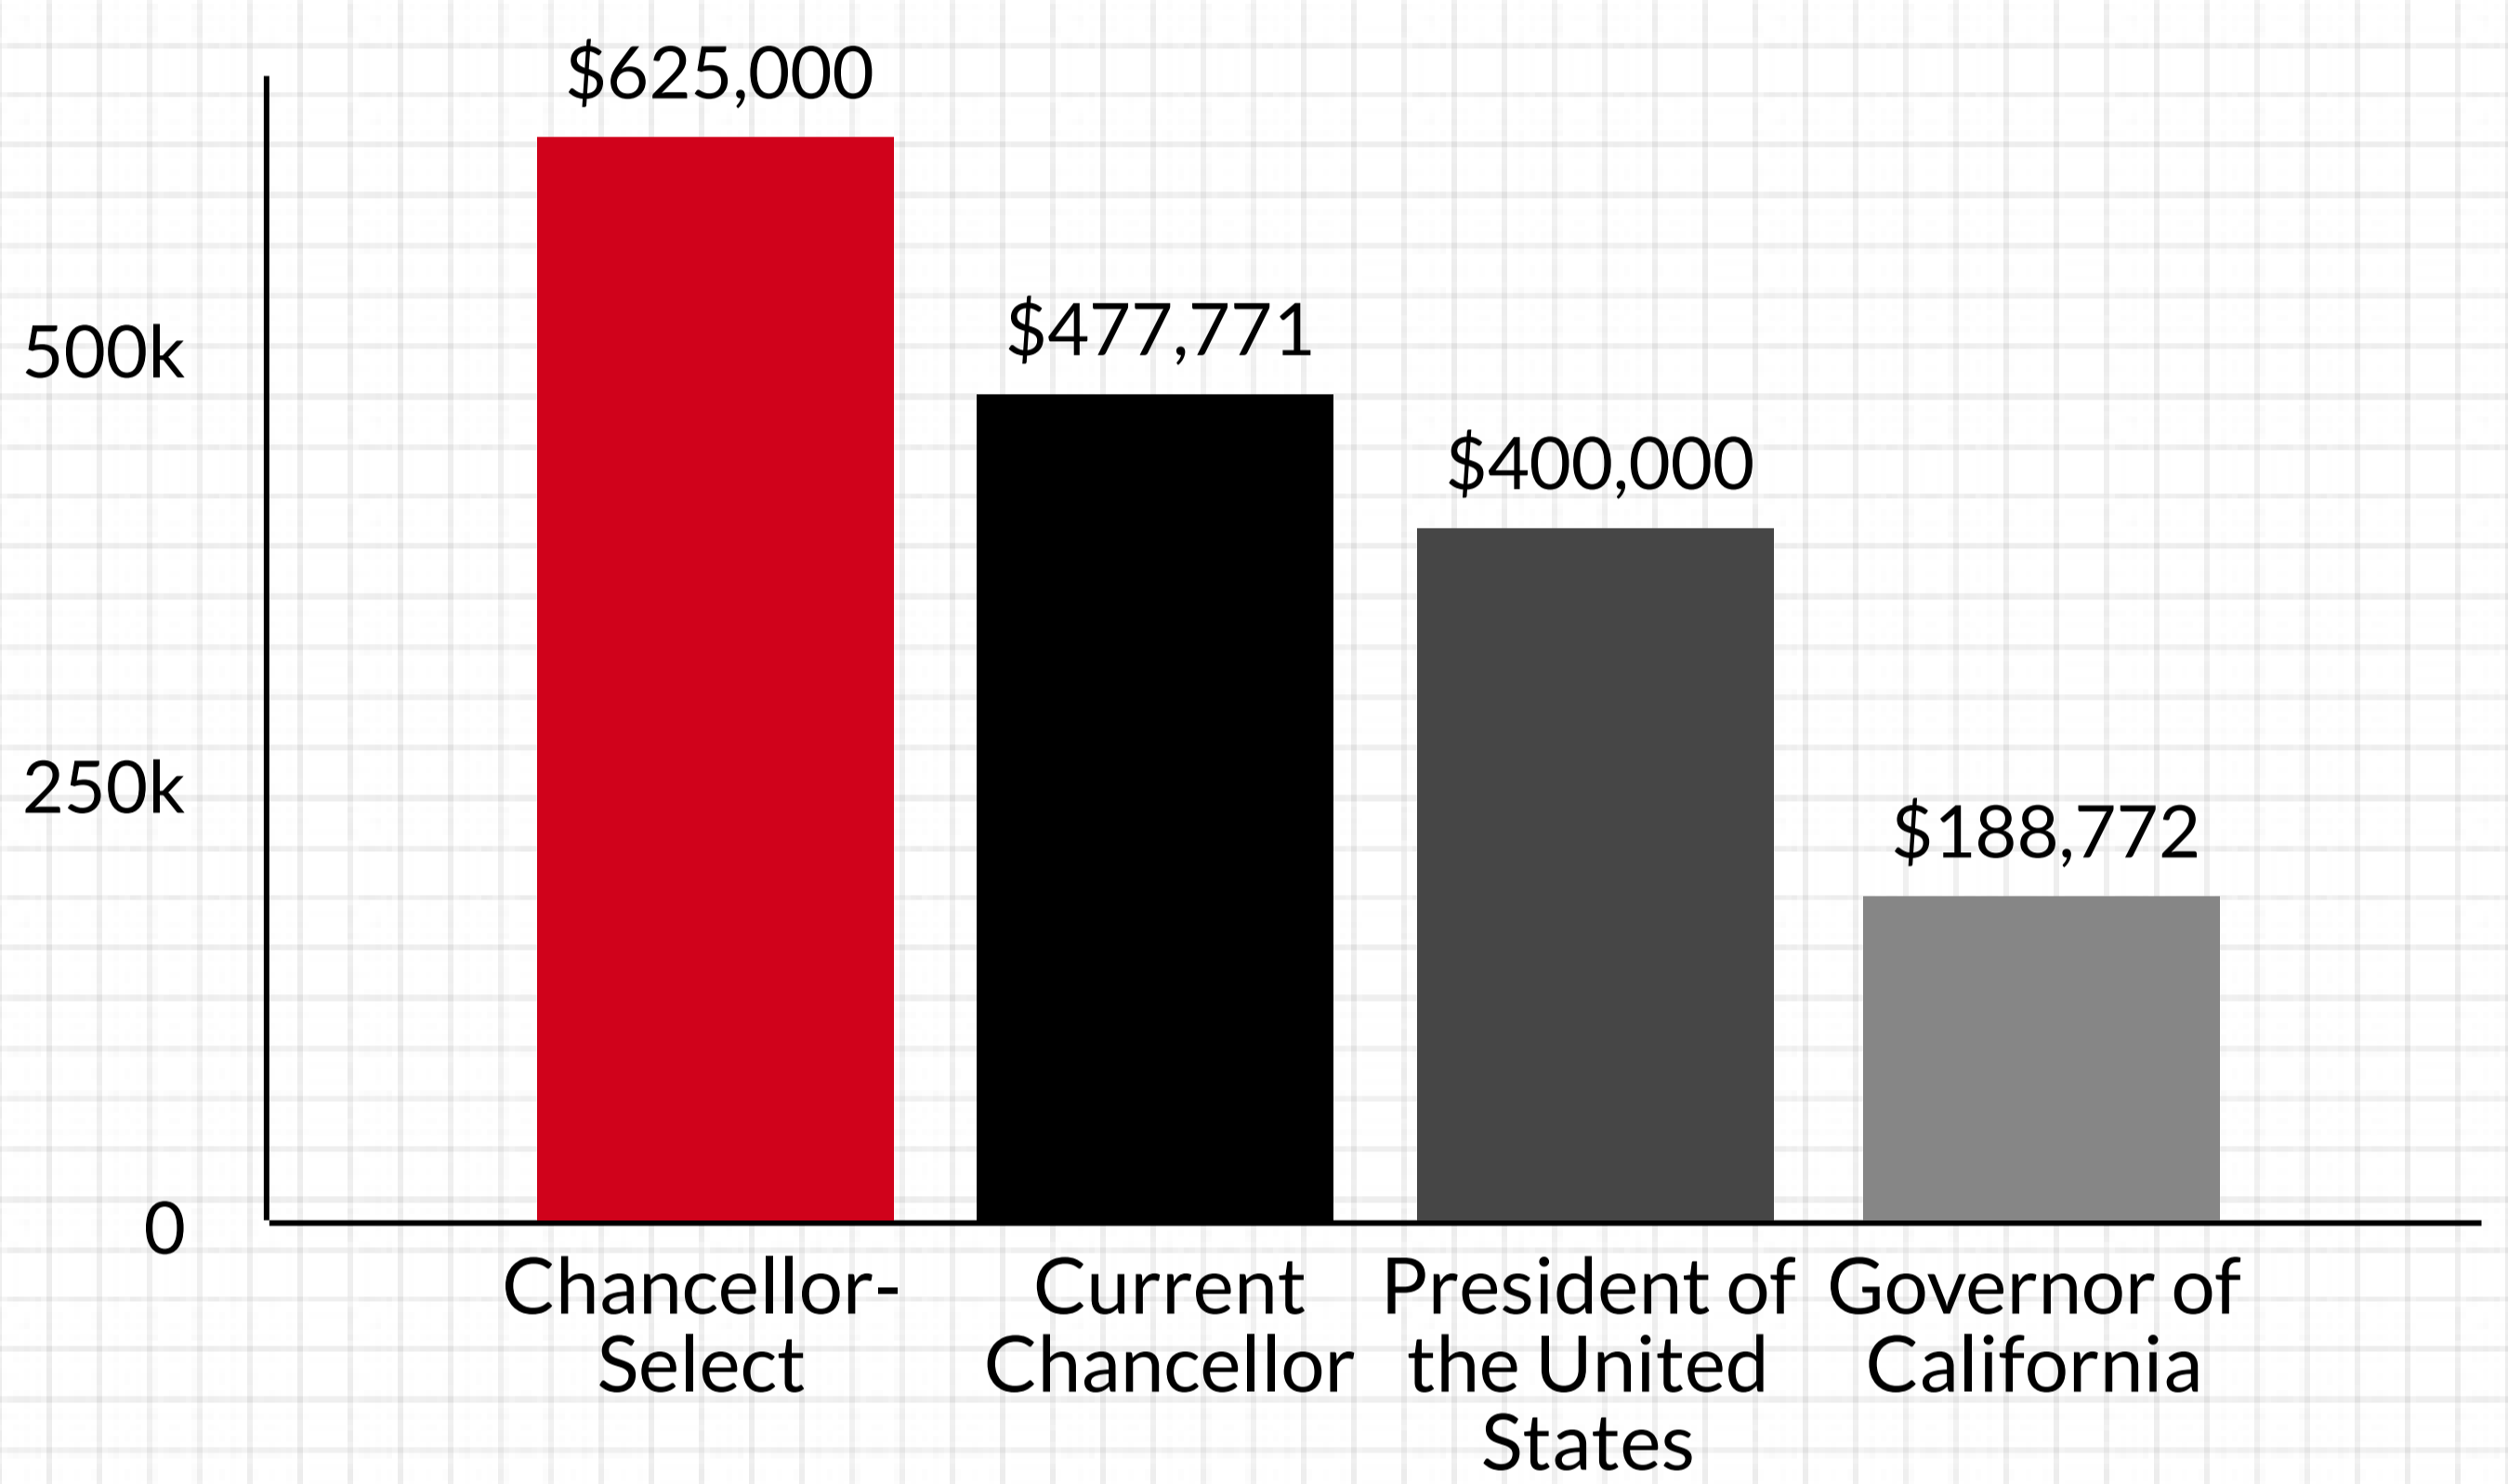

The California State University Board of Trustees approved a base salary of \$625,000 for the incoming Chancellor-Select

At their September meeting, the CSU Board of Trustees introduced the Chancellor-Select, who will start in January 2021. They also approved a base salary of \$625,000. A \$147,000 increase over the current Chancellor.

They chose to increase the Chancellor's salary by 30%. This is happening while CSU staff are being laid off. While Lecturer faculty are losing work and having their health insurance ripped from them and their families.
