EQUITY CONFERENCE 2023

**Co-conspiring for an
Equitable Future: Building
the Social Justice Bridge**

March 8 – 11, 2023

“Solidarity is not the same as support. To experience solidarity, we must have a community of interests, shared beliefs, and goals around which to unite... Support can be occasional. It can be given and just as easily withdrawn.”

— bell hooks

Welcome!

Thank you for attending Equity Conference 2023! In the past these journals have helped us to reflect upon the workshops and presentations in a more guided way.

We hope this journal will provide a space for new ideas, reflection, and creativity as you attend the various sessions.

In the journal, you'll find prompts and note-taking space dedicated to each session of the Equity Conference. Take this space to envision the socially just future we all want for ourselves, our students, and our communities, and what steps we will need to take to get "Build the Social Justice Bridge." We are what we manifest.
