

Faculty Petition on CSU Accountability

I sign this petition which calls on CSU San Bernardino President Tomás Morales to speak up at the CSU Board of Trustees meeting on Sept 13-14, 2022 to advocate for the needs of faculty, staff and students at CSUSB and the CSU as a whole by

- Condemning the recently awarded exorbitant CSU Presidential salary increases,
- Calling for democracy and transparency in the process of selecting new CSU Presidents,
- Encouraging salary increases for faculty & staff that adequately address inflationary pressure,
- Lobbying for Title IX reform to protect victims of discrimination, harassment & retaliation,
- Advocating for increased staffing of mental health counselors, and
- Asking the CSU Board to push hard with the state legislature and Governor for the increased funding needed to pay for the items listed above.
