Re: Trustees of the California State University, and California Faculty Association.

LA-IM-4234-H

Dear PERB:

Negotiators of The Trustees of the California State University, and California Faculty Association have not reached agreement using the mediation process. Therefore, I certify this case to Fact Finding in accordance with Section 3591 of the Higher Education Employer-Employee Relations Act.

This letter does not relieve the parties of their obligation to notify each other of their intent or of their responsibility to contact the regional PERB office so that a fact-finder can be appointed to hear their case.

Please note that, pursuant to section 3594 of the HEERA, I will continue as mediator for this case should the Fact Finding stage fail to reach a settlement. I am ready to assist if the parties wish to meet again prior to the dates of the Fact Finding, should they jointly request my help.

Thank you.
